

ANIMAL ACCREDITATION

For the exhibition of animals in the stand, the exhibitor will be required to submit a **Health Certificate** issued by a veterinarian duly **registered with the Regional Council of Veterinary Medicine of the Federal Unit** of the animals' origin, proving its health and the compliance with sanitary measures as defined by the official veterinarian service and by the public health agencies, **especially proof of rabies immunization**. It is necessary one (1) Health Certificate for each animal to be exhibited at Pet South America 2015. The exhibitor must present the animal's health certificate on the day of entry with a **validity of up to seven (7) days**.

ANIMALS CAN NOT STAY ON THE AISLES AND MUST STAY IN THE EXHIBITOR'S STAND OR IN THE "RESTING AREA".

Following the determinations of the Secretary of the Environment (state body) and Conama (federal body) and in accordance with resolution of the latter body No.: 489/2018

Any exhibition of native or exotic wild animals purchased with an invoice for the final consumer, on behalf of the individual, cannot be publicly displayed or participate in shows, therefore, the entry or exhibition of wild animals and/or animals will not be allowed. exotics at Pet South America.

Animal circulation on hallways and common areas during the exposure period is prohibited, being restricted to the exhibition stand hired by the exhibitor, as well as handling the animal in any area including the stand area itself. In the specific case of primates, it is expressly prohibited the entry, display and handling of such animals at any area of the event, including the stand hired by the exhibitor.
